

Product Summary

Deep Relief Essential Oil Roll-On is an exclusive blend of pure essential oils formulated to use for massage after activity. Peppermint, Wintergreen, Copaiba, Helichrysum, Dorado Azul, and other essential oils each play an integral role in this blend. Deep Relief Roll-On offers a convenient way to apply this proprietary blend to forehead, temples, and neck anytime, anywhere as needed.

Ingredients

Mentha piperita[†] (Peppermint) oil, Caprylic/capric triglyceride, Citrus limon[†] (Lemon) peel oil, Abies balsamea[†] (Balsam Canada) needle oil, Eugenia caryophyllus[†] (Clove) bud oil, Copaifera officinalis[†] (Balsam copaiba) resin, Cocos nucifera (Coconut) oil, Gaultheria procumbens[†] (Wintergreen) leaf oil, Helichrysum italicum[†] flower oil, Vetiveria zizanoides[†] (Vetiver) root oil, Hyptis suaveolens[†] (Dorado azul) seed oil

[†]100% pure, therapeutic-grade essential oil

Primary Benefits

- Apply for massage after activity.
- Blended with Peppermint, Deep Relief provides a cooling sensation when applied to the skin.
- Offers on-the-go portability and convenience in a no-mess application.

Suggested Use

Apply generously on temples or back of neck.
Apply generously to chest and neck as desired.

Cautions

Keep out of reach of children. Possible skin sensitivity. Avoid contact with eyes. If you are pregnant, nursing, taking medication, or have a medical condition, consult a health professional prior to use. Avoid direct sunlight or UV rays for up to 12 hours after applying product.

Did You Know?

- Wintergreen essential oil is a natural source of salicylic acid.
- Dorado Azul was recognized only as a weed in Ecuador until 2006, when Gary Young distilled it and analyzed its constituents. One of its naturally occurring constituents is cineole, also known as eucalyptol.
- Helichrysum has an uplifting aroma and is included in many essential oil blends, including JuvaFlex® and M-Grain™.
