

Product Summary

Breathe Again Essential Oil Roll-On is a proprietary blend containing Peppermint, Myrtle, and Copaiba essential oils, combined with four powerful eucalyptus oils: Eucalyptus staigeriana, Eucalyptus globulus, Eucalyptus radiata, and Young Living's original Ecuador farm single, Eucalyptus Blue. Eucalyptus oils include the naturally occurring constituent cineole (eucalyptol). Breathe Again is available in a portable roll-on applicator, convenient to carry and available anytime, anywhere. Breathe Again's aroma is ideal for awakening and invigorating the senses when applied to the head, neck, chest, or under the nose.

Ingredients

Caprylic/capric triglyceride, Eucalyptus staigeriana[†] leaf oil, Eucalyptus globulus[†] leaf oil, Laurus nobilis[†] oil, Rosa rubiginosa[†] (Rose hip) seed oil, Mentha piperita[†] (Peppermint) oil, Eucalyptus radiata[†] leaf oil, Copaifera officinalis[†] (Balsam copaiba) resin, Callitris intratropica[†] (Blue cypress) wood oil, Eucalyptus bicostata[†] leaf oil, Myrtus communis[†] (Myrtle) oil

[†]100% pure, therapeutic-grade essential oil

- R.C.™ Essential Oil Blend
- Raven™ Essential Oil Blend
- Ravintsara Essential Oil
- Dorado Azul™ Essential Oil

Did You Know?

- Copaiba is the only essential oil extracted through tapping, similar to how maple and rubber are gathered.
- Through extensive research, Young Living has discovered that the most potent form of Copaiba essential oil is found in a particular grove of copal trees just outside the Amazon rain forest basin.
- Eucalyptus staigeriana, Eucalyptus globulus, Eucalyptus radiata, and Eucalyptus Blue all have the naturally occurring constituent cineole (eucalyptol).
- Peppermint essential oil, Mentha piperita, is highly regarded for its energizing and invigorating aroma and its soothing sensation when applied to the skin.
- Myrtle essential oil, Myrtus communis, has been researched for its elevating effects when inhaled.
- Blue Cypress, Callitris intratropica, is a unique essential oil grown and distilled in the outback of Australia. Its aroma is soothing and grounding.
